

THE GODFATHER

WINE, SPIRITS & COCKTAIL MENU

There is no mystery about wine, but there is a great deal of magic. Learn what you like, and you'll be sure to enjoy an evening of gastronomic excellence. Skilfully chosen wine turns an ordinary meal into a banquet. With this wine list we have attempted to give you an interesting selection.

Today the matching of wine and food still follows the tradition of white wines with poultry and fish, and red wine with red meat.

However, as tastes and methods change, many people are starting to experiment with new matches of their own and are developing new tastes.

Due to the nature of the wine making and the volatility in wine supply mechanisms, some wines may not always be available. However, we will endeavour to have suitable substitutes available should the need arise. Please be aware that when a supply of a particular vintage is exhausted, the suppliers automatically distribute the next available vintage

If in doubt, please consult your waitron. With that we wish you a glorious experience

We have made a conscious decision to lower our margins where possible to make quality wine more accessible

CORKAGE

Bringing wine to a restaurant is a common practice among wine lovers, however, there are some unwritten rules to consider should you decide to do this.

The wine should be special, something that is unlikely to be on that restaurant's wine list. If you have something special that you would like to bring along, we will gladly accommodate 1 x 750ml bottle per 6 guests.

It might be a wine from a boutique winery or wine that is available only at the winery, or the wine might be one that has been ageing in your wine cellar.

A discretionary corkage fee will be charged.

"Traildust is thicker than blood" - Louis L'Amour This wine is an acknowledgment of every person who has been involved in the Pinotage journey, from vineyard to glass. L'Amour describes the Traildust created on the roads traveled and relationships formed as lifelong companions, perhaps closer than family. These friendships share a mutual respect for Pinotage, as well as the people involved in its creation and those who strive to grow this cultivar. This Cape Blend is a tribute to the legacy of Pinotage by uniting this unique South African cultivar with its heritage, Pinot noir and Cinsault. *The super aged Rib Eye or the legendary Tomahawk, lightly sprinkled with salt & pepper and plain grilled.*
